

MEGAN★ RADAKOVICH

EXPERIENCE

Nojo&Co – *Communication Design Intern*

SUMMER 2024

- Created social media posts, flyers, brochures and posters using Adobe Illustrator for a small animation studio in Strasbourg, France
- Prototyped both lofi and hifi wireframes for a website redesign in Figma based on user and competition research
- Collaborated with other team members about daily tasks and long-term projects in both English and French

Jerk Magazine – *Creative Director, Print Design Team*

SEPTEMBER 2022 – PRESENT

- Lead and coordinate designers, writers and illustrators by ensuring communication, assigning pages and editing content for a student-run publication focused on campus issues, activism, and pop culture
- Design unique pages in magazine's style for a bimonthly print issue

Hill Communications – *Assistant Creative Director*

SPRING 2023 – PRESENT

- Run meetings and update assignments for a team of 8 designers across 13 different client accounts
- Communicate effectively with clients through email and phone to ensure creative cohesion and proper brand identity on projects
- Facilitate organizational shift in client and account design requests by reworking communication between supervisors and creative team

Karen Brownlee for Symmes – *Head Designer*

SUMMER 2023

- Design and Marketing consultant for a hometown political candidate
- Designed logo, yard sign, walk card, and postcard that were distributed around the community
- Developed and maintained a webpage to further candidate's message to the public

SU Kumquat – *President, Graphic Designer*

MARCH 2023 – PRESENT

- Elected by peers to run weekly meetings for Syracuse University's satirical news organization
- Create and post regular content on social media, growing Instagram following by over 200%
- Update and communicate meeting agenda and posting schedule
