

MEGAN★ RADAKOVICH

EXPERIENCE

Zinnia - Brand Design Intern

MAY 2025 - PRESENT

- Design across disciplines to support all aspects of B2B marketing, including presentations, internal communications and social media
- Create prototypes and redesign pages for company website using Figma to refine messaging and optimize user experience
- Demo products and technology through motion graphics made with Adobe After Effects to increase marketability and understanding

Nojo&Co - Communication Design Intern

SUMMER 2024

- Created social media posts, flyers, brochures and posters using Adobe Illustrator for a small animation studio in Strasbourg, France
- Prototyped both lofi and hifi wireframes for a website redesign in Figma based on user and competition research
- Collaborated with other team members about daily tasks and long-term projects in both English and French

Jerk Magazine - Creative Director, Print Design Team

SEPTEMBER 2022 - PRESENT

- Lead and coordinate designers, writers and illustrators by ensuring communication, assigning pages and editing content for a student-run publication focused on campus issues, activism, and pop culture
- Create unique pages in magazine's style using Adobe InDesign for a bimonthly print issue

Hill Communications - Creative Team

SPRING 2024 - FALL 2025

- Communicate effectively with client-based teams through email and phone to ensure creative cohesion and consistent brand identity
- Expand team and client vision with innovative design suggestions
- Deliver wide range of output, including motion graphics, website redesigns, printed materials and social media posts

Karen Brownlee for Symmes - Head Designer

SUMMER 2023

- Design and Marketing consultant for a hometown political candidate
- Designed logo, yard sign, walk card, and postcard using Adobe Illustrator that were distributed around the community
- Developed and maintained a webpage to further candidate's message to the public
